

## TISSIDental Disclaimer

### **LIABILITIES**

Physicians and other health care professionals are encouraged to consult other sources and confirm the information contained in this site because no single reference or service can take the place of medical and scientific training, education and experience. Consumers are cautioned that this site is not intended to provide medical advice about any specific medical condition they may have treatment they may need and they are encouraged to call or see their physicians or other health care provider promptly with any related questions they may have. All information is provided "as is" without warranty of any kind, either expressed or implied, including, but not limited to, the implied warranties of merchantability, fitness for a particular purpose, or noninfringement. Descriptions of, or references to, products or publications do not imply endorsement of that product or publication. In no event shall the TISSIDental be liable for any special, incidental, indirect or consequential damages of any kind arising out of or in connection with the use of the information contained in this site, whether or not advised of the possibility of damage, and on any theory of liability.

### **DISCLAIMERS**

While TISSIDental has attempted to make the information as accurate as possible, the information provided are for personal and/or educational use only and are provided in good faith without any express or implied warranty. There is no guarantee given as to the accuracy or currency of any individual information in the site. TISSIDental does not accept responsibility for any loss or damage occasioned by use of the information contained on the site. All access and use is at the risk of the user. Where hypertext links are provided to other web sites it is only a service to occasional and unknown users. This service does not mean that TISSIDental endorses those sites or material on them in any way, and rejects any responsibility for the use of a hypertext link provided in this site.

### **COPYRIGHTS**

This CD/website contains a variety of copyright material. Some of this is the intellectual property of individuals (as named), some is owned by TISSIDental itself, some material is owned by others (where possible indicated) and yet other material is in the public domain. No material anywhere on this CD/website may be copied (except as legally allowed for private use and study) or further disseminated without the express and written permission of the legal holder of that copyright. Copyright material owned by others is reported in this site only as scientific reference and/or bibliography. All the parts of this CD/website copyright of TISSIDental, such as photos, texts, graphics, designs, tables, contents, etc., cannot be copied without written authorization.

### **PRIVACY POLICY STATEMENT**

TISSIDental is committed to safeguarding your privacy. Please read the following to understand how your personal information will be treated. For each visitor to our website, the server automatically recognizes only the visitor's domain name. We collect this information to count the number of visitors and the pages visited for the purpose of improving the website only. The server does not recognize the e-mail address. We do collect the e-mail addresses of those who communicate with us via e-mail or visitors who are making a request for additional information or specific requests via our e-mail forms. The e-mail address is only used to respond to the request made by the visitor and to send promotional, technical and/or scientific information in the future (the remove option is always available and immediately accepted if requested). We do not partner with or have any special relationships with any ad server companies or email marketing organizations and do not and will not release any information sent to us to anyone for any reason what-so-ever.
